

Somincor Site Visit

Part of The Electric Mine 2026

May 8, 2026

05:45-06:00

Bus pick up from road between FIL Pavilion 4 (location for The Electric Mine 2026) and Praça Sony (exact coordinates 38°46'24.9"N 9°05'37.0"W). Breakfast bags will be provided as you enter the bus (delegate badges will be required for entry).

06:00-08:15

Bus journey with informal introduction to Boliden's technology and innovation projects/achievements, plus brief explanation of Somincor mine site.

08:15-08:45

Introduction to site from Gonçalo Pernas, Head of the Communication and Social Responsibility Department at Boliden Somincor, including quick mining and flowsheet overview.

08:45-09:15

Visitors to fit PPE ahead of group splitting into two, with the first group visiting the automation room and going underground via ramp, and the second group visiting the processing plant and receiving an update on the 49 MW solar project.

9:15AM-12:15

Tours of either underground or the processing plant.

12:15 – 13:00

Lunch and informal discussions.

13:00-16:00

Tours of either underground or the processing plant.

16:00-16:30

Final informal discussion with Gonçalo and Gunnar Nystrom, General Manager of Somincor, plus other members of team.

16:30-18:45

Bus journey back to Lisbon, drop off at same point as pick-up.
